Dear Achievers Learning Centre:

On behalf of myself, 2 children (Skye 10 years, River 9 years) and my niece (Dylan 8 years), thank you for assisting our children in years 2015 and 2016 with their required needs which includes the following excellent services:

- Schooling;
- Emotional assistance in their challenging traumatic time
- Fun in learning
- Recognizing their individual requirements in learning and their emotional wellbeing
- School plays and concerts
- Communication and comfort
- Good discipline and commitment

We thank you in assisting them grow in their difficult times and preparing them for school and acknowledging their development and challenges. Achievers Learning Centre has been big role in their lives and we are sad to leave. You have given us the highest level of customer satisfaction possible. Your service has been greatly appreciated and our children are confident to take their next steps in education. They talk about you often and we will always keep our relationships with you.

Again, thank you for your excellent service and commitment to the biggest treasures we have.

Kind regards,

Tamaryn Dylan
